COUNTY OFFICIALS BREAK INTO PRINT.

E. Jeffrey Travis and Grant Davidson, who are professional and scientific fox hunters, and who boast of the runningest dogs in Kentucky, have time and again assured the housewives of the city that their poultry was absolutely safe as they and their dogs were keeping the foxes and other "varmints" scared away, but last Monday evening about 7 o'clock as Circuit Clerk D. A. Lowry, who lives out on North Walker, was sitting on his front veranda he saw a large gray fox come leisurely long the street from the direction of Robert Haynes', and after capering around a short time in the glare of the street light, turned and went from whence he came. It would be well for the aforesaid hunters to take due notice and govern themselves accordingly.

Mr. Lowry can't prove that he saw the fox but his reputation for truth and sobriety is unquestioned among his associates around the courthouse.

HIGH VEIN OF SPAR DISCOVERED.

Mr. J. H. Pearson, who was in Marion Saturday reported he had struck a three foot vein of fine spar and he was greatly encouraged with the finding.

THIS WILL BE SOME MONUMENT.

Mr. S. W. Smith was in Marion last week to arrange for the hauling of the marble to the cemetery for the big Ollie James monument.

The monument when completed will be thirty-five feet high and make an imposing memorial for Crittenden's most famous statesman product.

The largest piece of marble weighs 34,000 pounds.

Going Some!

Evidently the people who perform marriage ceremonies in Shawneetown are good advertisers. Four couples from Kentucky were married there one morning last week by Judge Smyth in one ceremony.

HIGH SCHOOL TEAM TO PLAY MORGANFIELD.

Marion's chance to see a real football game is here according to the way the local boys put it. They are to play Morganfield on November 1 and are confident that it will be a game that the people of the county cannot afford to miss.

The team's press agent gave the Press the following statement: "Marion's football team has been steadily improving until now we feel safe in saying everybody will get their quota of thrills at the Morganfield game. If you want to encourage the boys to do their utmost, come. If you are there and our boys see that you believe in them, the way the Yankees went through the Hindenburg line will be nothing compared to the way we will go through the Morganfield line."

The game will be played at Maxwell Park.

Girls to Play Also.

No, not football—basketball. They are not suffragettes but they sure can play this game according to the same press agent "as good as any male that ever trod the globe."

He also says: "If you want to see a bunch of good looking girls play one of the most interesting games ever devised, be sure and don't miss the one Saturday between the Marion High School Girls and the Morganfield High School girls. Our girls will win and we want you to be there and see it."

This game will be played in the school yard at 2:30 p. m. Admission tickets for both games can be purchased for only 35 cents.

To Drill for Oil.

A drilling machine was unloaded here this week to be taken to the George Foster farm in Livingston county where a test well will be bored in search of oil. W. S. Lowery, who is interested in this project was in Marion Wednesday to see that everything went well with the unloading process.

BAPTISTS PLAN VIGOROUS WARFARE UPON TUBERCULOSIS IN THE SOUTH

SANATORIUM AT EL PASO, ESTABLISHED FOR THIS PURPOSE, WILL GET FINANCIAL AID FROM 75 MILLION CAMPAIGN—EDUCATIONAL PROPAGANDA TO INFORM PEOPLE ON HOW TO COMBAT PLAGUE WILL BE CONDUCTED.

Administration building of Southern Baptist Sanatorium for treatment of tuberculosis patients, located 4500 feet above sea level.

Do you know that tuberculosis is more prevalent in the South than in any other part of the country?

That the death rate from tuberculosis here is 14.2 per cent greater than for the nation as a whole, and greater than in any civilized nation on the globe with the exception of China?

That more than 150 people a day, or 57,782 a year, die in the South and the Southwest from this dreaded disease?

That there are within the territory of the Southern Baptist Convention 275,000 persons actively infected with the great white plague and an equal number have inactive infection?

That the money loss to the South each year from tuberculosis is \$175,000,000?

These startling facts were brought to the attention of the Southern Baptist Convention at its session in 1916 and a resolution was at once adopted to try and check the spread of the disease and provide relief as far as possible for those already infected with it.

As a result of this movement there was established in the high, cool, rare atmosphere of El Paso, Texas, the Southern Baptist Sanatorium which aims to minister to as many patients as possible and to disseminate throughout the South and Southwest the information that will result in checking the further spread of the disease and enable those who have just contracted it to obtain immediate cures by proper methods of living.

With the active assistance of the business interests of El Paso a modern sanatorium, located upon a beautiful tract of 148 acres on the side of Mt. Franklin, at a height of 4,500 feet, was opened for the healing of the people, and through the Baptist

75 Million Campaign this institution will receive \$500,000 for the erection of additional buildings and \$500,000 for an endowment that will enable the sanatorium to minister to those indigent patients who are unable to pay for treatment.

That there is an imperative need for an institution of this character is shown in the fact that all institutions in the South and Southwest for the treatment of tuberculosis have a total capacity of only 8,757 beds, or one bed for only one person out of every sixty in this section who are afflicted.

Everything connected with the Baptist Sanatorium is modern and of the very best, but its present equipment is far too small to cope with the demands that are made upon it. Of the improvement fund that is to be provided, \$100,000 is available already and architects are already designing new buildings worth \$450,000. These will be constructed just as rapidly as possible.

While the sanatorium is being operated by the Baptists, it will be open to the people of all creeds and no creed. Due to the crowded conditions, however, it is necessary that arrangements be made in advance by communicating with Dr. E. F. Vermillion, superintendent, at El Paso.

The sanatorium is under the general supervision of the Home Mission Board of the Southern Baptist Convention, and in addition to treating patients who have already contracted tuberculosis, it will seek, through a campaign of publicity, to so inform the people of the South and Southwest of the nature and prevention of this disease that the alarming death rate from the white plague can be immediately lowered and finally reduced to the minimum.

WINDMILL NOW BACK NUMBER

Powerful Electric Pumps Are to Replace Them in Holland—Draining the Zuyder Zee.

Amateur water-color painters who have been wont to draw pictures of Holland's windmills will soon have to seek other fields, because the modern electric pumps will soon make the contrivances that have helped to keep Holland dry for six centuries mere memories. The electric pumps can be placed on any dyke and can handle 1,000 cubic feet of water a minute, while the mills can only lift about 10 cubic feet in the same time.

These new motors will be used in draining the Zuyder Zee, a task which will take 30 years, according to Hendrick Willem van Loon, writing in the Century. When this task is done Holland will have 400,000 more acres of the richest kind of new agricultural land.

Engineers will first of all build a gigantic dyke that will connect the eastern part of the province of Holland with the western coast of Friesland. This dyke will be 48 kilometers long and will cost 1,000,000 guilders a kilometer. It will provide a new and direct road between the northern part of the country and the capital, and will shorten the journey between Amsterdam and Leeuwarden, the Frisian capital, from 208 to 150 kilometers.

Republican Nominee
For Representative
Crittenden and Livingston Counties

Election, Tuesday, Nov. 4, 1919
YOUR SUPPORT WILL BE
SINCERELY APPRECIATED

Lower Taxes, Better Schools,
More Pay for Teachers, Abolish the
Useless Offices, and Stop the Waste
of the People's Tax Money.

1 FAVOR lower taxes, by a revision and correction of the present unfair tax laws, providing that all classes and kinds of property should bear its just burden of taxation.

2 FAVOR better schools, equal opportunities for city and rural pupils, longer terms for rural schools, and increased pay for teachers. I am opposed to frequent and needless changes in school books.

3 FAVOR the abolishment of the many useless public offices, thereby saving for the people thousands of dollars in salaries and expenses annually.

4 FAVOR the removal of the State's charitable and penal institutions and the public schools from the influence of politics.

If elected as your Representative I will do my part in bringing about these important reforms and other much needed legislation.

POPULAR COUPLE QUIETLY MARRIED.

Last Tuesday at high noon, Mr. Grover C. Walker and Miss Jessie Dell Walker were united in Marriage by Rev. U. G. Hughes at his home on Poplar street in this city.

The groom is a well known young farmer of the Repton section and the bride is the beautiful daughter of Albert M. Walker of Marion R. F. D. 4. The couple are very popular and held in high esteem among their friends.

FRED RAMAGE DIED FRIDAY AT KUTTAWA.

Fred Ramage, about 60 years of age, died Friday at noon at his home in Kuttawa from strangulated hernia. He was employed at the heading mill as a fireman when the accident occurred which resulted in his death.

He is survived by a wife, three daughters and one son, as follows: Mrs. Lucian osier, Mrs. Amos Doom, Miss Georgia Ramage and Press Ramage.

His remains were laid to rest in the Kuttawa cemetery Saturday afternoon amidst a large concourse of sorrowing relatives and friends. Funeral services were conducted by Rev. J. D. Woodson—Lyon County Herald.

SPEAKER FAVORS NEW AMENDMENT.

James H. Woertendyke of California made a most logical and eloquent address at the Methodist Church here last Friday evening. He spoke on the Constitutional amendment from a legal standpoint. He showed that unless the amendment carried that in all probability Prohibition would be defeated. His interested hearers were made to see plainly their duty to vote for the amendment.

Mr. Gip Watkins returned from a trip Saturday.

MARION BOY MARRIES CALDWELL GIRL.

Last Saturday morning Mr. Kelly Wigginton and Miss Elma VanHooser were united in marriage by the Rev. U. G. Hughes at his home in this city in the presence of a few friends and relatives.

The groom is the son of our townsman, James Wigginton but is at present making his home in Caldwell county, where he is employed as a carpenter. The bride is the attractive daughter of the late A. J. VanHooser, of Caldwell county.

GOOD MEETING CLOSES AT SUGAR GROVE.

The meeting closed Tuesday night of this week. There were 16 additions to the church with more to come in later. 23 professed faith in Christ, with a rising tide of religious life in the community. Said to be the greatest religious awakening for a number of years. Rev. F. A. Grundy, with the good pastor did the preaching.

CASSADY THINKS IT PAYS TO ADVERTISE.

Manager Cassady of the Strand Theatre was host last Tuesday night to the women and children of this territory and to say that his party was a tremendous success would be putting it mildly indeed.

The house was filled before the advertised hour for the party to begin and it looked like an overflow meeting would have to be held for those who would not be able to get in the main tent. The party was to celebrate the beginning of a very interesting and entertaining new serial picture that Mr. Cassady has booked for each Tuesday night. "The Tiger's Trail" is the title of the picture and it is a good one.

Messrs. Sullenger, Clements and Alley, stock dealers, shipped 50 head of fine steers last Saturday.

Give the world
the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling. "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squints at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off! - Join the
U. S. Navy
